# Our Story

Chaayé Khana isn't just about what's on the table, it's about how it feels to be here. The rhythm is slower, the air softer, the conversations longer. Every space is designed for belonging, warm lights, textured wood, the hum of quiet conversation.

Here, food is thoughtful, tea is ritual, and hospitality is instinct.

Come as you are. Stay as long as you like.

## What we kept

### Respect for the brew

Real leaves, right temperature, time honoured.

### Comfort food that travels

From samosas and bun kebab to wholesome mains and bakery.

### A place to be

You're not rushed. You're looked after.

## Steeped in Tradition

From caravanserais to contemporary tea houses, our roots are hospitality, comfort, and conversation. Born in Islamabad, shaped by Pakistan's tea culture, and shared with the world—one warm cup at a time. In London, we keep the heart of the tea house intact: welcoming spaces, thoughtful food, and tea at the centre. Tea that takes you home.

## Food for every kind of day

Our menu moves from honest breakfasts to street-inspired snacks, proper mains, and warm desserts. Classics sit alongside new favourites, with chai and coffee done right, and iced drinks when you want them. Vegetarian, vegan-friendly, and Halal options are clearly marked.
